## AAG 2007 Preliminary Program Now Available

Come join the AAG in San Francisco, California, April 17-21, 2007. San Francisco is the home of the Golden Gate Bridge and Ghirardelli chocolate, where cable cars climb some of the hilliest streets in the country, and where Tony Bennet left his heart.

We anticipate over 3,000 paper and poster presentations featuring the latest geographic research and scholarship, ranging across the full breadth of the discipline. The San Francisco region also offers opportunities for exceptional field trips on geographic topics from the physical to the human to the oenological.

Located on the beautiful San Francisco Bay, San Francisco is home to the Noe Valley, a colorful and pedestrian-friendly thoroughfare with pubs, outdoor cafes, and superb restaurants; a 24-block Chinatown; Fisherman's Wharf, a waterfront marketplace and pier; the Golden Gate Bridge; Alcatraz Island; the San Francisco Zoo; world-renowned theatres and museums; and many more wonderful attractions.

Attendees can travel to San Francisco with ease from around the world. San Francisco International Airport, the area's largest airport facility, hosts 22 domestic airline carriers and 27 international carriers.

Don't miss the chance to visit one of America's most popular cities. The headquarters hotel for the 2007 AAG Annual Meeting is the Hilton San Francisco, located at 333 O'Farrell Street San Francisco, CA 94102. We look forward to seeing you there!
