## SCIENCE OF TEAM SCIENCE

**NUCATS**  
Clinical and Translational Sciences Institute

NUCATS Institute, Northwestern Institute on Complex Systems and the Science of Networks in Communities (SONIC) Research Group proudly present the Fourth Annual International  
**SCIENCE OF TEAM SCIENCE CONFERENCE**

**MONDAY-THURSDAY, JUNE 24-27, 2013**  
Northwestern University  
Evanston, IL

### SciTS Conference 2013

Northwestern University • Evanston, IL

Kellogg School of Management • Jacobs Center

2001 Sheridan Road, Evanston, IL 60208

Monday, June 24 - Thursday, June 27, 2013

The Annual International Science of Team Science (SciTS) Conference is a forum to enhance our understanding of how best to engage in Team Science to meet society's needs. The SciTS Conference serves: as a point of convergence for investigators studying Science teams and Team Science leaders/practitioners; to engage funding agencies to provide guidance on developing and managing Team Science initiatives; and to afford data providers and analytics developers insight into collaboration tracking and analysis needs. In this way, the SciTS Conference acts as a bridge between the *Science* and the *praxis* of Team Science, serving as an important conduit for translating empirical findings about Team Science into evidence-based effective practices for scientific teams and funders of Team Science.
