EVENT REGISTRATION

Help us celebrate!

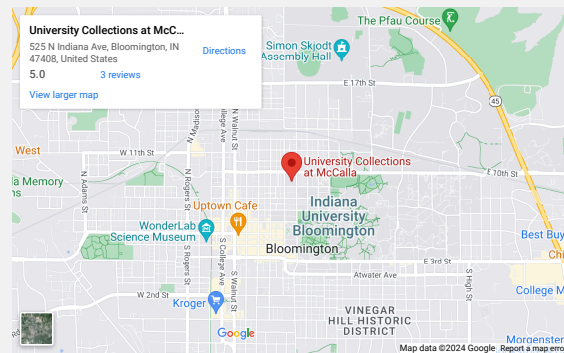

Please join us to celebrate 20 years of the *Places & Spaces: Mapping Science* exhibit! The exhibit is curated here at CNS and has traveled the globe showcasing best examples of information visualization.

When? June 6, 2024 from 4PM to 6PM EDT.

Where? In person at University Collections at McCalla, 525 E 9th St., Bloomington, IN 47408 or online via [Zoom webinar](#).

What? Reception. Enjoy refreshments, remarks from the exhibition curators, presentations from teams whose works have been selected for inclusion in the exhibit this year, and the opportunity to try out a data visualization in VR.

Why? To introduce the latest additions to the exhibit and celebrate the 20th anniversary of the inception of the *Places & Spaces: Mapping Science* exhibit, see 100 maps and 40 interactive macroscopes at [scimaps.org](#).

We hope to see you there!
